

# Strengthening Mississippi's Pre-K and K Standards

Kide™ empowers educators with innovative lessons that blend storytelling, imaginative play, and hands-on activities. Engaging and fun, Kide sparks curiosity, fostering a lifelong passion for learning while seamlessly supporting all domains in Mississippi's state standards.

## ENHANCE YOUR CURRICULUM WITH PLAY

### Science

- **100%** of the Pre-K science anchor standards
- **91%** of the Kindergarten science performance standards

### Math

- **100%** of the Math anchor standards for Pre-K and Kindergarten

### ELA

- Reading (Key ideas and details, Integration of Knowledge)
- Writing (Text Type)
- Language (Vocabulary Acquisition)
- Speaking and Listening (Comprehension & Collaboration, Presentation of Knowledge & Ideas)

### Holistic Approach

- **100%** of Visual Arts (Artistic Processes)
- **100%** of the Physical Development performance standards
- **100%** of the Approaches to Learning Pre-K anchor standards
- **100%** of the Learning Principles from the Kindergarten Guidelines

Taken from the Early Learning Standards and the Career and College Readiness Standards for Kindergarten

## WHY KIDE?

Our screen-free, hands-on lessons focus on building science processing skills instead of memorization. Our play-based approach makes learning interactive and engaging, with captivating stories and problem-solving challenges.

- Available in English and Spanish
- No kits required
- Professional Development included
- Grounded in extensive research from the University of Helsinki, Finland
- Developmentally appropriate for early childhood ages

**KIDE LESSONS BENEFIT ALL CHILDREN, REGARDLESS OF THEIR SKILLS AND ABILITIES.**
